1	I think community meetings should of been had, to discuss such a building to know the peoples wants & needs. To get a idea of the members understanding of cultural center a building brought forward by the people.	6/29/2021 12:54 PM
2	I like the front "dome" as it reflects wigwams of our people and peaks interest of tourists to come inside and see	6/29/2021 10:40 AM
3	Just a question. Do you have the cultural center plan for the beaver shaped center that was done some years ago? If so, have you used ideas from it for for floor plan.	6/17/2021 7:06 AM
4	Will this location be optimized to generate income for KFN or to at least cover the O&M of the facility?	6/16/2021 11:31 AM
5	The building concept is very nice, and a cultural center is needed in our community, however, I do not see how this building at the waterfront will generate any money in the future with just a small café and exhibition area. I would've like to see our waterfront utilized with the focus on tourism that can generate more money into the community.	6/16/2021 10:15 AM
6	Was expecting wood to soften the look, the building looks a little cold	6/16/2021 5:18 AM

7	Wow!! Very beautiful!!	6/15/2021 7:31 PM
8	I do not see the native component in the design	6/15/2021 6:40 PM
9	In looking at the parking area it will be parking for the center as well as for the rented dock. Maybe a tight fit.and they we have members who did get a dock so they will want to park their trailer and vechicle while they are out on the lake. Getting crowded possibilities for damages .	6/15/2021 3:38 PM
10	Is it the best thing that has ever happened in the community. Sure spruces it's up a lot and will bring business to the community.	6/15/2021 3:14 PM
11	Everything looks well planned	6/15/2021 12:25 PM
12	very well done	6/15/2021 11:58 AM
13	It has a very modern feel but yet still holds on to historical architect features (long house/teepee feel)	6/15/2021 11:49 AM
14	Looks very inviting.people's gathering!	6/15/2021 8:29 AM

1	Sounds good & interesting we must keep it updated yearly I think as each year passes. In the moment times seem unimportant but even 5 years is a lot of passed time when we reflect on looking back at when and where, who & what.	6/29/2021 1:01 PM
2	I like the flow	6/29/2021 10:41 AM
3	would like to see history on how the reserve began. Mike and Esther worked for years on it.	6/17/2021 7:12 AM
4	Will this facility be self-sufficient or possibly generate extra income for KFN?	6/16/2021 11:33 AM
5	Again it's a beautiful concept and I agree that we need this here in our community and love the idea of bringing our cultural to our area. But if you are looking to generate money from this building, how will that be done?	6/16/2021 10:15 AM
6	well thought out	6/16/2021 5:21 AM
7	sounds great	6/15/2021 6:45 PM
8	What an amazing way to teach history and understanding.	6/15/2021 6:12 PM
9	I cannot wait to visit the exhibition. The amazing part is learning more about our culture as I know as an aboriginal I have a lot more to learn. Looking forward to visiting it in the future.	6/15/2021 3:16 PM

Q3 Do you or your family have objects or photographs that might fit into the exhibition? These don't need to be ancient or precious artifacts. They might represent logging or trapping, or working in the home, or raising children, or going to school. Would you be willing to lend them to the exhibition (with credit in writing in the exhibit?) Please note that we are not asking for objects now- nor can we promise that we will use everything offered. Please let us know what you have and how we might contact you.
