Independent Auditors' report on the special purpose financial statements

To the Chief and Council
Eagle Village First Nation - Kipawa

We have audited the accompanying consolidated financial statements of the Eagle Village First Nation - Kipawa as at March 31, 2015, which comprise the consolidated statement of Financial Position as at March 31, 2015, and the consolidated statements of Operations, Cumulative Operating Surplus, Net Investment in Capital Assets, Changes in Net Financial Assets (Net Debt) and Cash Flows, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the Financial Position of Eagle Village First Nation - Kipawa as at March 31, 2015 and the results of its operations and its Cash Flows for the year then ended in accordance with Canadian public sector accounting standards.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenues recognition

Revenues are recorded in the period specified in funding agreements entered into with government agencies and other organizations. Assistance received in advance of making the related expenditure is deferred. Revenues are recognized when persuasive evidence of an arrangement exists, price is fixed or determinable and collection is reasonably assured.

Capital and interests repayments on the long-term debt are treated as expenses in the housing operations projects where as the rent charged by the First Nation Council to the tenants and the grant coming from CMHC are treated as revenues in that same project.

Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Key components of the consolidated financial statements requiring management to make estimates include the provision for doubtful accounts in respect of receivables, the useful lives of long-lived assets and liabilities under legal contingencies. Actual results could differ from these estimates.

Principle of consolidation

The consolidated financial statements include the accounts of the First Nation and the organizations under its control. These organizations include Migizy Odenaw inc. and Taxi Tem inc. Transactions concluded between these organizations and reciprocal balances are eliminated. The reciprocal balances have not been eliminated in the information of the annexes presented in the segment disclosure.

Investments in controlled entities

Taxi Tem inc. and Migizy Odenaw inc. are wholly-owned by Eagle Village First Nation - Kipawa. As at March 31, 2015, the financial information available for the operations of Taxi Tem inc. and those of Migizy Odenaw inc. were taken from their respective year-end, September 30, 2014 for both. These investments in controlled entities are recorded on the modified equity basis of accounting unless the controlled entities become entirely dependant from a financing point of view from Eagle Village First Nation - Kipawa. When a controlled entity becomes dependant from a financing point of view, it is consolidated into the financial statements of the First Nation.

Proceeds on the disposal of capital assets and the related deferred revenue

Proceeds on the disposal of capital assets and from assets held for sale are recorded in the Net Investment in Capital Assets.

Changes in accounting policies

The First Nation adopted Section PS 3260, "Liability for Contaminated Sites" for the fiscal year beginning April 1, 2014. This new section requires to determine whether there is a liability for remediation of a contaminated site when it ceases to make productive use or where an unforeseeable event resulting in contamination could occur.
